ECONOMIC COMMISSION FOR EUROPE

Forty-ninth session
(Provisional Agenda item 6(a))

SUMMARY DOCUMENT

Note prepared by the secretariat

CORRIGENDUM

Paragraph 72 should read as follows:

72. In its decision O (45) the Commission stressed the responsiblity of the Statistical Division for the coordination of statistical work within the ECE. There is much statistical work undertaken in divisions outside the Statistical Division, and there are now procedures to ensure the necessary coordination.
